## 🎓 Education

### **Bachelor's Degree**, *Rivers State University*

2015 – 2019 | Port Harcourt, Nigeria

I hold a degree in Science Education with a specialization in Biology. My studies provided a strong foundation in both biological sciences and educational methodologies, equipping me to effectively communicate scientific concepts and inspire learning in academic settings using technologies and artificial intelligence available in this dispensation to be able to build and develop user-friendly web applications

## 📁 Professional Experience

### **ICT Personnel**, *Onenetwork Integrated Links Limited*

As a Software Intern, I contributed to the development and testing of web applications, collaborating with the team to implement features and fix bugs. I enhanced my skills in Computer Networking and connectivity

2021 – 2022

Abuja, Nigeria

### **Software Engineer front end intern**, *Renaissance Innovation Labs*

As a Software Intern, I contributed to the development and testing of web applications, collaborating with the team to implement features and fix bugs. I enhanced my skills in JavaScript, HTML, and CSS, and gained hands-on experience with version control using Git. I successfully completed key tasks that improved application functionality and user experience

2023

Port Harcourt,  
Nigeria

## 🧠 Skills

**HTML, CSS, JavaScript, React,** ● ● ● ● ●  
**Tailwind, Node.js**

Good communication, Multitasking, working under pressure
